Edwards Electric & Telecom, Inc.
Attn: Rich Edwards
30 Park Street
Stevens PA 17578

Dear Mr. Edwards:

On behalf of Willow Valley Associates, Inc., we would like to thank you, Adam Hedbavny, Mark Miquelli and your team for the great work you did on our DoubleTree renovation project. This renovation was extremely important to Willow Valley and knowing that you expressed this to your team and that they recognized the significance of the project was outstanding.

As you know, the hotel remained open throughout the entire renovation and the schedule was quite aggressive, making this a very challenging and complex project. We were very impressed with the quality of workmanship that Edwards Electric presented to us on a daily basis. We appreciate how well you responded to the unforeseen additions or changes that came up during the project. Each person was at the top of their game when they came in to work. We are also grateful to your team for the way they interacted with our staff and guests; everyone was very courteous and professional.

Please express our gratitude to your staff for a job well done. We would definitely consider your company a top candidate for work on future projects.

It has been 'My Pleasure',

Sincerely,
